Pens[2] (varying messages)	

Radio and print advertisements

The NMVTRC has developed a series of radio and print advertisements to encourage motorists to consider the consequences of having a vehicle stolen. Samples of radio advertisements are on the CAR-SAFE website, where you will also find a link to request broadcast ready versions of the ads. Print ads are available in three sizes for immediate download.

Visit www.carsafe.com.au/stakeholders-a-partners/operation-bounce-back/advertisments

Examples of all resources can be found on the CAR-SAFE website. Visit, carsafe.com.au/stakeholders-a-partners/publications/other-nmvtrc-resources
